

6 月度土曜例会(2013/06/15)

本日のゲストスピーカーはThomas Kochさん(Cookと発音します)。アメリカはEVANSVILLE, INDIANAの出身。でももう20年も日本にいます。近大農学部の講師で今回彼をIINに紹介されたのはあのペルシャでお馴染みのDalia Anavianさん、趣味は Natural Health Methods, Politics, Economics, Finance. 今回のテーマも "Views of a Changing Japan and a Changing World: A Walk through Recent History... and look at the "Futurry"- (Future +History)" ということで硬そうな内容をどう把握しようか心配でした。その上先生の用意していたパワーポイントが作動せずスピーチをメモするだけではDraft書けそうにない、そうだ、後から資料を送ってもらおうと思いつき例会終了後お願いしたところこんな内容と共に早速送ってくれました。
Dear all of IIN members.

Thank you very much for your hospitality yesterday. I enjoyed it very much. I hope that it was of some benefit to IIN members. I'll look forward to meeting you again. Tom

それゆえ今回のレポートは例会時見ていただけなかった資料を中心に取ります。内容は、

CHANGING THE CONSTITUTION

- ❖ Article 9
- ❖ Article 96
- ❖ Toward a beautiful Japan

PRIME MINISTER ABE'S VIEW OF BEAUTY

- ❖ In an interview posted in May 2012 on the Asahi Plus website, Abe cited, with evident admiration, an essay Mishima wrote four months before his seppuku (ritual samurai disembowelment) at a Tokyo army base in November 1970. "Japan," Mishima wrote, "is no more. In its place is a spiritless, empty, neutral, rich, calculating, economic superpower."
- ❖ It is odd to hear Abe apparently sharing Mishima's distaste for this new (or non-) Japan, given his emphasis as candidate and prime minister on economic recovery. Can a rich Japan be a beautiful Japan? Few Japanese have ever thought so. The traditional equation was of beauty with poverty.

AESOP FABLE

YEAR - 620 AND 560 BCE

- ❖ The Fox and The Crow

A Fox once saw a Crow fly off with a piece of cheese in its beak and settle on a branch of a tree.

"That's for me, as I am a Fox," said Master Reynard, and he walked up to the foot of the

tree. "That will do," said he. "That was all I wanted. In exchange for your cheese I will give you a piece of advice for the future: "Do not trust flatterers."

"Good day, Ms Crow," he cried. "How well you are looking today: how glossy your feathers; how bright your eye. I feel sure your voice must surpass that of other birds, just as your figure does; let me hear but one song from you that I may greet you as the Queen of Birds."

The Crow lifted up her head and began to caw her best, but the moment she opened her mouth the piece of cheese fell to the ground, only to be snapped up by Master Fox.
