Title : Liverpool, the place I was born,
a unique and fascinating city called Liverpool

Abstract : People from Liverpool are known all over the world as Scousers

In my presentation I will:

- …Talk about why many people in Liverpool think of themselves as Scousers and NOT as English citizens.
- …Tell you about some major events in the city's history which formed the rebellious character of Liverpool people.
- …Show you how the people of Liverpool and Osaka resemble each other.
- …Introduce the city's unique Scousers accent.
- …Talk about the two things Liverpool is most famous for-football(Liverpool football club) and music(the Merseyside sound of the Beatles)
- …Introduce you to Liverpool's sense of humour.

I hope you enjoy my talk!
