Group Talking

- For welcoming New Year

We divided into groups of five or six members and enjoyed talking about how we spent the New Year.

- How did you spend your holidays?
- What are your New Year's resolutions?
- We experienced earthquakes on January 6. Do you have any disaster-prevention measures in place? What lessons have you learned from past disasters?
- What is your vision for your future self, and what should you do now to achieve it?
- In order to promote sustainable activities of IIN, what can we do?

Note: The guest speaker could not come to the meeting due to the sudden illness, so we changed the contents of the meeting from guest speech into group talking.
